

flex

The normal bus schedule applies each day.

Normal school hours remain: 8:10 - 3:20 (Mon - Thurs) and 8:10 - 1:45 (Fri).

9th GRADE: Attendance is taken 8:10 (Mon, Wed - Fri) and 8:45 (Tues).

10-12th GRADE: Attendance is taken at 8:10 on (Mon) and 8:45 (Tues - Fri).

[Bell Schedule](#)

MONDAY

- 1st period begins at 8:10. Flex is midday and has a variety of uses (goal-setting, study time, periodic assemblies, academic help, announcements, prayer, etc.).
- The Flex teacher helps students create goals and also checks in with students as they identify their own learning needs and create intervention plans (as needed).

TUESDAY

- Students use Flex for independent/collaborative learning (in supervised/designated areas) or even breakfast while teachers pursue professional development.
- Families may enjoy late arrival as long as students are in 1st period by 8:45.

WEDNESDAY - FRIDAY

- *** 9th grade students** arrive in Flex at 8:10 (attendance is taken).
- **If 10-12 students neither have appointments nor require extra help**, they may enjoy late arrival to school as long as they are in 1st period by 8:45. If on campus before 8:45, they may choose to:
 - work independently/collaboratively in designated areas.
 - enjoy breakfast and/or socializing with friends in designated areas.
- **Teachers may require 10-12th grade students to attend Flex** (for a contracted time or until a goal is met) if student-created intervention plans are not working.
- All students (9-12) can meet with teachers for:
 - tutoring, re-teaching, or one on one conferences (by appointment)
 - AP/Honors study sessions (by AP/Honors teacher arrangement)

** To help 9th grade students successfully acclimate to High School, their Flex teachers offer extra structure, accountability, and support. In Flex, teachers and students build small communities of trust, help and care (academic, social, and spiritual). In second semester, 9th grade students may earn more freedom (and attend Flex less frequently) as they demonstrate increasing responsibility, maturity, and success.*
