

The Road to Greatness Starts Here

Every day we safely deliver future doctors, teachers, and leaders.

Monte Vista drivers come from all walks of life— parents, grandparents, and people looking for extra income. They're the kind of people who care enough to help find a lost cell phone, or be a listening ear after a tough day.

Now, we want to grow our team by inviting people--like you--to join our **school bus driver training program from Monday, June 6th through Monday, June 12th.**

Candidates who successfully complete training requirements will be considered for open route driver and substitute/event driver positions for the 2016-17 school year. We offer paid in-service, a positive working environment and the opportunity to drive some of the nicest kids you'll ever meet--kids headed for greatness.

You must have a high school diploma or GED; exceptional attendance and punctuality; be committed to ensuring their passengers' safety; have a clean and safe driving record; have no criminal record; and be able to pass background and criminal records check, a physical exam, and a drug test. You should also be at least 25 years of age, and have a California drivers' license. Compensation starts at \$15.00/hour. School bus driver positions are also eligible for benefits, including student tuition discount.
