Grading:

<u>Grade Book Categories</u>		<u>Semester Weighted Grading Configuration</u>	
Performances/Exams	30%	Quarter	40%
Curricular Activities	30%	Quarter	40%
Assignments	20%	Final Exam	20%
Quizzes	20%		

Explanation of Grade Book Categories:

**Time Commitment:** Students will not be required to complete more than an hour of practice/homework each week. Class work that is unfinished will need to be made up outside of class.

**Final Exam:** Each semester will culminate in an in-class performance. The Final Exam grade will be calculated based on that performance and a corresponding written component.

**Curricular Activities:** Students are expected to actively participate in all classroom activities (i.e. warm-ups, rehearsal, set-up, clean-up). Students are also expected to report to class on time with all necessary materials; music, pencils, iPad, instrument(s), as well as all necessary accessories for their particular instrument. Failure to be prepared, on time, and/or behave appropriately will negatively affect the Curricular grade.

**Performances/Exams:** There are no public performances. Exams will periodically evaluate students; they may be written or performance-based.

**Assignments & Quizzes:** Assignments and quizzes promote individual musical growth. Students will be expected to meet with the teacher for individualized instruction during during Flex Time hours (1-2 times per semester).

High School Standard Grading Policy:

Please refer to the policy and procedures online in the Parent-Student Handbook.
