Monte Vista Christian School has partnered with West Hills Community College (WHCC) and Colorado Christian University (CCU) to offer dual enrollment courses. These courses allow students to earn college credits for classes that count towards their high school graduation requirements at MVCS.

How to Enroll

1. Work with your Academic Advisor to choose the appropriate Dual Enrollment courses.
2. Apply for admission at the appropriate college(s) to obtain your College ID number.
3. Submit Dual Enrollment Registration Form to your Academic Advisor with College ID number.

Transfer of Credits

West Hills Community College

The credits earned in these courses are transferable to the California State University System, the University of California, and the California Community Colleges System.

Colorado Christian University

"Every major state university surveyed accepted the dual enrollment credit, as did most major private schools and all 27 Christian universities that participated in the survey." - ccu.edu/dualcredits/faqs/

Students can check with the admissions department of their colleges of interest to ensure transferability.

Policies

Transcript Requests

Students in the Dual Enrollment Program will have an MVCS transcript and a college transcript. It is the student's responsibility to request transcripts from both the colleges(s) and MVCS.

Faculty

The dual enrollment courses will be taught by MVCS faculty who have qualified to be adjunct professors.
