

Dear AP Students and Parents,

Registration is now open for AP exams. The fee for each exam is \$93. Students have four choices regarding AP exams:

1. Choose to take the AP exam. Register for and pay \$93 for each exam ordered using [this link](#).
2. If you are enrolled in the dual credit option, you may opt out of an exam by filling out and returning the attached form (by email: [kendalellison@mvcs.org](mailto:kendalellison@mvcs.org) or drop it off at Student Services).
3. If you are not enrolled in the dual credit option, and you do not wish to take the exam, you may opt out as long as you understand that you will lose your weighted credit for the course, as well as the AP designation.
4. Register for an AP exam for a course that is not offered by MVCS. Use the above link to register and pay the \$93 fee.

**Registration will close on Friday, March 17.** Please make sure to either register or turn in your opt-out form by that date.

A mandatory AP exam pre-administration session will be held in April (date TBD). During this time, students will enter identifying information on their answer sheet. By holding this session and having each student complete their first exam answer sheet, we are able to save about 45 minutes per exam.

<b>2017 AP Exam Schedule</b>		
<b>Week 1</b>
