

MONTE VISTA CHRISTIAN SCHOOL

High School Community Service Project Approval and Verification Form

Beyond Monte Vista's academic and athletic life, we want to encourage our students to develop sensitivity to the needs of the community around us, and to contribute toward meeting those needs.

We are called to live according to the pattern of love and service modeled by our Lord and Savior, Jesus Christ. We do this by sacrificing our time and energy in serving the needs of the poor and less fortunate.

Each High School student is required to complete twelve service hours per semester. Graduating seniors must complete all necessary hours in order to graduate, typically 96 hours.

We hope that the skills our students develop will enhance the lives of others, particularly those in need around us, and see this as a meaningful way of showing God's love to our community.
