

# Monte Vista Christian Student Driver Release

If extenuating circumstances make it necessary for a student to provide their own transportation to a school-sponsored event, this form is to be completed prior to the event. Students must have parental permission, proof of insurance, and a MVCS Administrator's signature before permission may be granted. Also, the student acknowledges the vehicle is mechanically sound and understands he/she is not allowed to drive any other students, except siblings, to the event.
