Dear Parents,

For an activity to qualify for contract P.E. it must have an educational component which is not offered by the school and be taught over a minimum of nine weeks (This is the length of a quarter for Monte Vista Christian Middle School). Team sports do not qualify for contract P.E. Contract P.E. must consist of individual instruction in activities such as dance, swimming, gymnastics, martial arts, horsemanship. There must be an average of 200 minutes of instruction per week.

Contract P.E. for the Middle School is different from the high school. Since we do not assign credits but give grades we have a similar although different system. Students in the middle school will be asked to turn in a daily log similar to the high school. Unlike the high school the middle school student will be asked to turn in a written report to the principal at the end of each quarter. The written report will answer three questions and each question is to be answered in four complete sentences or more.

Question One: What did you learn this quarter?

Question Two: What do you hope to learn next quarter?

Questions Three: What must you do to improve?

The following is the grading scale for Contract P.E.

A	The instructional log is 100% complete and the journal has 4 complete sentences for each question. The log and journal are turned in to the principal on the last day of the quarter.
В	The instructional log is 90% complete and the journal has 3 complete sentences for each question.  The log and journal are turned in to the principal on the last day of the quarter.
С	The instructional log is 80% complete and the journal has 2 complete sentences for each question. The log and journal are turned in to the principal on the last day of the quarter.
D	The instructional log is 70% complete and the journal has 1 complete sentence for each question.  The log and journal are turned in to the principal on the last day of the quarter.
F	Required log and journal not received by the Principal.

Late assignments must have a written excuse received by the principal before the due date. All assignments without a written excuse approved by the principal will be lowered one grade.

I agree to the terms and conditions of Contract P.E. for Monte Vista Christian Middle School.
